

Relive the Livingston Theatre Company's Productions

The Livingston Alumni Association (LAA) and the Livingston Theatre Company (LTC) Alumni Association have partnered with the Internet Archive to scan and digitize the printed programs from the Livingston Theatre Company's productions – from the first production in 1999, *Joseph and the Amazing Technicolor Dreamcoat*, through the final production of the 19th season, *Oklahoma!*, in 2017.

The LAA has partnered with the LTC to offer All-Alumni Theater Night/Afternoon events.

This project is made possible through financial support received from the Rutgers University Alumni Association.
