PRESERVING THE HISTORY.
ADVANCING THE LEGACY.

Greetings from the Livingston Alumni Association! We hope you and your families continue to be well and safe! While we haven't been able to fully celebrate the 50th anniversary of Livingston College's first class in person, we have two virtual events coming up that I think you will really enjoy!

Do you have an idea for celebrating Livingston's impact and legacy? Please [contact me](#) to share your thoughts. Livingston's graduates have impacted lives throughout the world. Let's continue to celebrate our Strength Through Diversity.

Rutgers Giving Day March 24

While much of Rutgers academic life is taking place remotely, that doesn't stop the need to support students who are in need, and need a lifeline to continue their studies. Financial and food insecurity and other issues can impact a student's ability to stay in school, especially during the pandemic. On March 24 and throughout the year, please support the [School of Arts & Sciences' Giving Day](#) or another Rutgers program of your choice.
