Help Celebrate Livingston College's Early Years

Hello, Fellow Livingston Alumni! We hope you and your families are well and safe! While we are unable to get together to celebrate the impact that Livingston College had on Rutgers and the overall global community, we want to plan some virtual programs...but we need your help!

The Livingston Alumni Association (LAA) was planning to hold a dinner this past spring to celebrate the 50th anniversary of the first students attending Livingston College. While the COVID-19 pandemic has postponed those plans, we still want to celebrate virtually! The many highlights of the October 2019 "Livi at 50" event included memories from alumni who were members of the Livingston Panthers football team and cheering squad. If you were associated with the Panthers, or were part of a club or organization or dorm during Livingston's early years, please **contact us**. We would like to hold a virtual program - tentatively in November - to celebrate those who laid the groundwork for Livingston's existence and impact.

And, we welcome ideas for other virtual programs until we can get together - hopefully soon - and raise a glass in tribute to our alma mater. In the meantime, I invite you to read an **article from the spring/summer issue of 1766**, the magazine of the Rutgers Alumni Association, about Livingston. There are some great memories and photos that I hope you'll enjoy. **Click here** to read the article.

Thank you very much for your help and support.

Best wishes,

Jeff Armus LC '77
